## Horopaki | Context

Kaunihera Taiao ki Waitaha | Canterbury Regional Council, also known as Environment Canterbury, is the Regional Council for the largest region in Aotearoa/New Zealand, covering an area of 44,500 square kilometres, with a population of approximately 700,000.

As a regional council, we are responsible for managing natural resources including air, soil, water and land. We work in partnership with mana whenua Ngāi Tahu to protect the health of our environment to ensure a sustainable and prosperous future for our region.

The region's evolving environmental and political context means we will continue to be agile and adaptive, as we respond to regulatory and environmental changes.

Our mahi (work) is organised around the delivery of our three core services:

- Environmental Regulation and Protection
- Community Preparedness and Response to Hazards
- Public Transport

We are guided by our strategic drivers (pou):

- Putting the community and our customers at the heart of everything we do
- Growing our relationship with mana whenua into a true partnership
- Maturing our governance model and understanding of our political environment
- Removing pain for our people (and customers) by improving our systems and processes.

Our mahi is also underpinned by our values:

- Kaitiakitanga (stewardship)
- Pononga (integrity)
- Manaakitanga (people first)
- Whanaungatanga (collaboration)
- Māiatanga (can do).

Tuia Te Herenga is a significant organisational change programme that aims to grow our relationship with mana whenua into a true partnership, shifting the way we work to become a Tiriti partner of excellence.

The Tumu Herenga section leads Environment Canterbury's Te Tiriti-centred strategic, advisory, system development, evaluative and monitoring work ensuring that the Council can give full effect to its Tiriti partnership responsibilities and commitments.

Tuia Te Herenga asks our kaimahi to look at our work through a mātauranga Māori informed lens, to change the way we think, interact, and work with ngā Papatipu Rūnanga, and consider how our behaviours and assumptions reflect kaupapa Māori within the organisation.

The four pou of Tuia Te Herenga which affirm this commitment focus on:

- Building a better partnership with ngā Papatipu Rūnanga
- Influencing partnership decision making and supporting Papatipu Rūnanga to navigate changes in the regulatory and political domains
