

Science Technician

Horopaki | Context

Kaunihera Taiao ki Waitaha (Environment Canterbury) is the Regional Council for the largest region in Aotearoa/New Zealand, covering an area of 44,500 square kilometres, with a population of approximately 700,000.

As a regional council, we are responsible for managing natural resources including air, soil, water and land. We work in partnership with mana whenua Ngāi Tahu to protect the health of our environment to ensure a sustainable and prosperous future for our region.

The region's evolving environmental and political context means we will continue to be agile and adaptive, as we respond to regulatory and environmental changes.

Our mahi (work) is organised around the delivery of our three core services:

- Environmental Regulation and Protection
- Community Preparedness and Response to Hazards
- Public Transport

We are guided by our strategic drivers (pou):

- Putting the community and our customers at the heart of everything we do
- Growing our relationship with mana whenua into a true partnership
- Maturing our governance model and understanding of our political environment
- Removing pain for our people (and customers) by improving our systems and processes.

Our mahi is also underpinned by our values:

- Kaitiakitanga (stewardship)
- Pononga (integrity)
- Manaakitanga (people first)
- Whanaungatanga (collaboration)
- Māiatanga (can do).

Aronga | Purpose

The purpose of this role is to collect and process data in support of Environment Canterbury's role to understand and manage the region's natural environment.

Ngā Haepapa | Accountabilities

- Liaise with landowners to arrange access to field sites so that staff can carry out field work. Meet and talk with the public as required to access sites or provide information when approached.

*Taking action together to shape a thriving and resilient Waitaha Canterbury,
now and for future generations.*

Toitū te marae o Tāne, toitū te marae o Tangaroa, toitū te iwi.

- Following Environment Canterbury's standard procedures, collect and document new data for scientific analysis. Field work could include taking measurements, collecting samples, documenting observations and maintaining field instruments.
- Process data and perform quality assurance checks following Environment Canterbury's standard procedures to ensure that the data in our databases is reliable and available within acceptable timeframes.
- Respond to requests from internal staff and the public for data and information from our databases and files.
- Liaise with landowners to arrange access to field sites so that staff can carry out field work. Meet and talk with the public as required to access sites or provide information when approached.
- Engage in Environment Canterbury's health and safety culture; actively identifying and mitigating risks.

Toitū Te Tiriti | Treaty Partner Excellence

- Deliver outcomes that underpin and give effect to achieving Ngāi Tahu cultural and environmental aspirations, including but not limited to, mahinga kai and revitalisation programmes.
- Connect with our Ngāi Tahu partner to ensure understanding of Ngāi Tahu aspirations and priorities so that there is genuine input and contribution, which can be considered in mahi programme development and prioritisation.
- Demonstrate openness and courageousness in approaching issues and in co-design of processes and systems, supporting thought leadership that can give effect to the progression of the partnership.
- Contribute toward our effective, strong and valued relationship with all Papatipu Rūnanga within Waitaha/Canterbury and Te Rūnanga o Ngāi Tahu, to demonstrate our commitment to recognise and provide for the kaitiaki/responsibility Ngāi Tahu has for the natural environment. This will include sharing of knowledge and information, creating opportunities for increased participation in decision-making processes, effective engagement and development of existing working relationships.
- Support the organisation's cultural capability journey, leading by example and identifying clear priorities, expectations, and development opportunities for individual capability; planning and aligning work to support organisational cultural capability across all aspects of delivery.

Hauora me te Marutau | Health and Safety

The health, safety and wellbeing of our kaimahi and community is a priority for the Council, and we proactively implement robust health and safety practices. To meet our legal obligations, you must:

- Understand the health and safety and risk obligations that rest with this position, and care for your own health, safety and wellbeing and that of others you may interact with.
- Ensure awareness of, and compliance with, legislative and operational standards, policies and guidelines, including the Council's code of conduct.

*Taking action together to shape a thriving and resilient Waitaha Canterbury,
now and for future generations.*

Toitū te marae o Tāne, toitū te marae o Tangaroa, toitū te iwi.

- Maintain an enquiring mind, undertake your own due diligence, and apply your knowledge of best practice to ensure a detailed understanding of any risks associated with this position.
- Ensure that relevant certifications are maintained, if applicable.

Hononga ā-Mahi | Working Relationships

Kai rō Kaunihera | Within the organisation

- Accountable to Science Team Leader.
- Maintain close working relationships with team members and develop networks with all staff involved directly or indirectly with matters relating to the position to ensure effective delivery of science services and key deliverables.

Kai waho i te Kaunihera | Outside the organisation

- Contribute toward our effective, strong and valued relationship with all Papatipu Rūnanga within Waitaha /Canterbury and Te Rūnanga o Ngāi Tahu.
- Demonstrate Council's commitment to recognise and provide for the kaitiaki responsibility Ngāi Tahu has for the natural environment. This will include sharing of knowledge and information, creating opportunities for increased participation in decision making processes, effective engagement and development of existing working relationships.
- • Landowners, members of the public to respond to requests for information.

Ngā Herenga Motuhake | Special Conditions

Occasional work outside of normal business hours and overnight stays may be required

Good standard of physical fitness must be maintained.

Work outdoors under a range of weather conditions

As a regional council, we have a specific requirement to provide a civil defence function for Waitaha. Kaimahi are required to be available to assist, support or be associated, as reasonably required, with any Civil Defence emergency or any exercise organised in relation to this function.

Additionally, all kaimahi are expected to assist, support and respond, as reasonably required, to any event where the Business Continuity Plan is activated.

Māngai Whakahaere | Delegations and Authorities

Where specified, this role has delegated authority to make decisions in accordance with Council-approved delegations, and authority for decision making in accordance with policies and guidelines for financial, people management and media-related activities.

Ngā Āheitanga | Capabilities

Tohu Mātauranga | Qualifications

*Taking action together to shape a thriving and resilient Waitaha Canterbury,
now and for future generations.*

Toitū te marae o Tāne, toitū te marae o Tangaroa, toitū te iwi.

- Some form of technical qualification, e.g. at Trade Certificate or similar level is desirable.
- Full class 1 driver's licence.

Mātau ā-wheako | Experience

- Experience or aptitude for diagnosing and resolving technical problems is required.

Ngā Pūkenga Matatau | Core Competencies

Specific behaviours at the Team Member level sit beneath each of the following organisational competencies. To identify the competency expectations at this level view the competency framework in the P&C Kete.

Customer Focus	Ensuring that the customer perspective is a driving force behind decisions and activities. Initiating and maintaining relationships inside and outside the organisation.
Business Acumen	Using an understanding of the organisation's position to contribute to effective strategies and tactics by using economic, financial and industry information. Thinking from the ratepayers' perspective.
Achieving Outcomes	Translating strategic priorities into operational reality; aligning communication, accountabilities, resources, internal processes and ongoing measurement systems to ensure that strategic priorities yield measurable and sustainable results.
Leading Change	Identifying and driving organisational and cultural changes needed to adapt strategically to changing demands, technology, and internal initiatives; using new approaches to improve results by transforming organisational culture, systems, or services.
Common Purpose	Working towards a compelling view of the future by engaging with the organisation's vision; understanding and aligning to the common purpose.
Building Capability	Attracting, developing, engaging, and retaining talented individuals allowing the organisation to meet current and future organisational challenges. Sharing authority, responsibilities and decision making to enable individuals to stretch their capabilities and accomplish strategic priorities.

The above statements are intended to describe the general nature and level of work being performed; they are not an exhaustive list of all responsibilities, duties and skills required of the position and incumbent. From time to time the Science Technician will be required to accept and carry out other duties.
